

**Dr. Aditya Mehra of Cardiology Associates of Ocean County has been Named A 2023 New Jersey Monthly Jersey Choice Top Doctor**

Dr. Aditya Mehra of Cardiology Associates of Ocean County was named a *New Jersey Monthly* Jersey Choice Top Doctor in the November issue of the magazine.

New Jersey Monthly commissioned an independent survey K. Dale Associates, a local research firm. A questionnaire was mailed to all New Jersey-based doctors who have been licensed by the state for at least five years. The mailing list, which is used by the state Board Of Medical Examiners for licensing purposes, was obtained from the New Jersey Department of Consumer Affairs.

Once all the eligible votes were tallied, doctors with sufficient votes were placed on a preliminary list. A handful of doctors were excluded because of significant prior disciplinary actions. The preliminary list was submitted for professional review to an advisory board chosen from among top vote getters in last year's survey.

For more information about Dr. Mehra, go to <https://heartdoctorsnj.com/our-physicians/> or call 732 458 7575.

The November issue of *New Jersey Monthly* featuring the Jersey Choice Top Doctors is available at newsstands. The list can also be found on [njmonthly.com](http://njmonthly.com).
